

Air 1 is a very important part of my daily spiritual life. It is a constant reminder of God's place in my life. It has a very strong effect on my attitude and emotions of an uplifting and positive nature. This effect spreads to those around me just because I am more at peace and less stressed throughout my day. If Air 1 were to be displaced by an LPFM broadcaster, I would be a little emptier and my relationships a little colder. Air 1 provides an important and non-intrusive service to the community and reaches people that otherwise might not hear the message "You're not alone". There was a time not long ago I desperately needed to hear that message and I know there are many others like me that will only hear it on Air 1. I listen on 102.7 FM Portland, OR. Thank you.
